

Welcome to 2nd Grade

Dear Parents and 2nd Graders,

I am so happy to be your teacher! For those of you who don't know me, my name is Debbie Newman. This will be my 24th year as a teacher and my 13th year here at Annunciation Catholic School. All 3 of my daughters attended Annunciation, (then St. Mary's) and I currently have 3 grandchildren at our school, Ella Clark in 2nd Grade, and Logan Burges and Emily Clark in Kindergarten. Yes, I said Ella in 2nd Grade! I will be teaching my granddaughter!

I hope you are having a great summer. I know I am. I am getting excited about the beginning of school and hope you are too. We will learn many things in 2nd Grade such as Math, Reading, Language Arts, Science, and Social Studies. Religion is also very important this year since many of you will receive the sacraments of First Reconciliation and First Eucharist. I am looking forward to this and all the wonderful things that we will share together. I will learn from you, as much as you will learn from me! I know we will have a great year together!

I am excited about attending The Whole Schools Summer Institute this summer, with several other ACS teachers. I am sure I will learn many new things to help us have a great school year!

During the "Come and go," you will be getting more detailed information about our classroom. Please feel free to contact me at denewman@cableone.net with any questions or concerns.

I want you to read and study math facts so you can be the best 2nd Grader you can be! I plan to be the best 2nd Grade teacher I can be! I am looking forward to seeing you in August.

God bless,
Mrs. Newman
