From the Desk of Mrs. Doumit

Hello parents and guardians! My name is Mrs. Terri Doumit. I am a former librarian of the school and am honored to be able to offer my assistance to Mrs. Mussellman and Mrs. Menotti in the library maintaining the collection and ensuring that it stays current, helping to choose books that are appropriate for each of the different grade levels, and scheduling book fairs and fundraisers to raise money for new library books.

If you are searching for anything on the internet and you typically use yahoo or google, please consider using goodsearch.com and type in Annunciation Catholic School as the school you support. We earn \$.01 for the media center for every search you perform. Thank you so much for helping us earn money for the media center. Every penny counts!

This coming week marks our first book fair of the year. We are in need of volunteers to make this a successful fundraiser for our media center. If you would be willing to volunteer, especially on Wednesday through Friday, October 21-23, your help would be greatly appreciated. Please feel free to contact me personally at 662-329-4135 or 662-549-2471. If I do not answer, please leave me your name and number and I will get back to you as soon as possible.

This year, the goal of the library will be to put books in the hands of our eager young readers and learners. Reading is a personal passion of mine, and I do try to stay current with reading what the children will be reading. Please notify me immediately if you have a question or concern about the content of a book. You will be receiving a mature reader letter for students in grades 4-6. This does not indicate that the books are inappropriate, it just indicates that the material has more advanced vocabulary and occasionally more mature themes.

As always.....

Happy Reading!!!!
