

DAVID'S DISPATCH

May 17 - 21, 2010

RELIGION

TEST Wednesday on Chapter 25: Holy Orders -
A Promise of Service for the People of God

This week we will also take part in a series of lessons called "God's Own Making." Please see the enclosed parent letter with more details and contact me with any concerns. Mass Thursday at 8:30 will be led by the 3rd graders!

READING

We will review comprehension skills this week with activities and mimio games that will prepare the students for a cumulative reading skills test on Friday.

MATH

We have one more MS math benchmark to cover this year and it is in Lesson 1 of Chapter 23 in our book. We will use coordinates to plot points within all four quadrants.

QUIZ Wednesday on this and then our last project is a TETRAHEDRON KITE!!!!!! This is a really cool in-class project that involves multiple skills we have learned this year. Will your child be successful in making a kite that can actually fly??? :)

SPELLING/WRITING

~Our Spelling test will be on Thursday. We will be testing on review words we have had this year. ~RRJ are due this week!!

SCIENCE Chapter D1: Earth, Moon, and Beyond

WOW! Our Space Unit has been out of this world fantastic, fascinating and fun-filled! Can you tell I get excited about this topic just like the students??? We will complete the chapter and review. TEST Thursday! Look for a study guide by Tues.

LANGUAGE ARTS

~DLP skill review this week with a DLP quiz on Wednesday.

SOCIAL STUDIES

We will finish Ch. 19, "Industry Changes the Country" today, review the study guides tomorrow and be ready to test on this chapter by Wednesday!

KICKBALL GAME! Was last Friday fun or what??? I know I had a blast at Field Day and then enjoyed every single minute of the annual Kickball Game between David's Dawgs and Not Us. No matter the winner or loser, it is how you play the game. I was very proud of both classes and the sportsmanship they exhibited. Way to go 5th and 6th graders!

BUDDIES! On Tuesday, May 25, we will celebrate the end of a wonderful year with our Kindergarten Buddies. We will walk to Burger King for lunch at 11:00 and will have water games outside afterwards. I will need several parents' help on this day! You will find a permission slip in the brown envelope today. Please WAIT and send between \$5-10 cash in an envelope for your child based on how much you want them to order that day for lunch. Please send a beach towel, sunscreen, hats/sunglasses that day. We will wear our uniforms---no bathing suits! If you would like to get an end of the year gift for your buddy, this would be a great day to bring it!

6th GRADE RECEPTION: I HAVE ONLY HEARD FROM ONE PARENT---LAURIE HATCHER AND I NEED HELP, PLEASE! This is going to be so easy but I need extra hands to spread the work. We need a couple of people next Wednesday after school to set-up tables in the cafe and then a couple of parents on Thursday morning to help hostess and serve. To keep costs to a minimum, I am asking you to send flowers from your yard that day to make a nice bouquet. We want to make this nice for our 6th graders and their families and expect the same in return when the reception is for us! :)

*****PLEASE SEND ALL TEXTBOOKS FROM HOME BY FRIDAY*****
