

Kindergarten Connection

Annunciation Catholic School teaches the whole child in a Christ-centered environment. We encourage all children to reach their full potential by building character, fostering community, and creating lifelong learners.

NATIONAL
ENDOWMENT
FOR THE ARTS

Arts Integration

Today we looked at a print by Kandinsky. After discussing the print and discussing shapes, the students are making their own version of the print using any shape they like at centers this week!

Religion

This week we will finish talking about the Readings, the Homily, the Eucharist and the Concluding Rites. We will also practice the Alleluia Verse and the responses.

Centers

This week they are making a shape painting (see Arts Integration), using tangram shapes to create a picture, completing a Number & Shape book, and coloring a sight word book "I Like" for their library box.

Welcome to the end of August! I cannot believe how fast the month has gone!

A few things:

Please be sure that your child uses the bathroom before school. I count at least 5 students each day that need to go within the first half hour of class and instruction begins right at 8. Also, please be sure if your child has shoe laces you double knot them each morning. It's the little things like that which take up time on our end, thank you!

Next week we will do our Protection of Children lesson that is required by the Diocese. At this level we just go over the basics like good touch and bad touch. If you would like to see the lesson before next week, please let me know and I'll get you a copy!

Have a great week! ~Mrs. Lusignan & Mrs. Donoho
