

Annunciation Catholic School Tuition Assistance Program

("Sponsor-A-Student" - made possible through Annunciation Catholic Church)

In an effort to make a Catholic education possible for every child, we have established a new program called "Sponsor-A Student." This program has helped generate funds that will help with partial or full tuition assistance for Catholic and Non-Catholic students who qualify at ACS.

The application process will be handled through FACTS a 3rd party company that specializes in tuition assistance. This process is confidential. FACTS will handle the application process, all the required documents and will determine the level of need for each family. Once this is determined FACTS will notify Mrs. Calland, principal, the level of need of each family and a meeting will be scheduled with the parents, Father Robert and Mrs. Calland.

Assistance is limited and all paperwork must be filed no later than February 15th. If you are interested in applying for tuition assistance, please call Mrs. Calland, principal, at 328-4479 to request an application. A non-refundable application fee of \$20 is required by the parents.
