

Welcome to 2nd Grade

Dear Parents and 2nd Graders,

I am so happy to be your teacher! For those of you who don't know me, my name is Debbie Newman. I am originally from Memphis, TN, where I attended catholic school for 12 years. I am a graduate of Mississippi University for Women. This will be my 24th year as a teacher and my 13th year here at Annunciation Catholic School. All 3 of my daughters attended Annunciation, (then St. Mary's) and I currently have 2 grandchildren at our school, Ella Clark in 3rd Grade, and her sister, Emily, in 1st Grade

I hope you are having a great summer. I know I am. I am getting excited about the beginning of school and hope you are too. We will learn many things in 2nd Grade such as Math, Reading, Language Arts, Science, and Social Studies. Religion is also very important this year since many of you will receive the sacraments of First Reconciliation and First Eucharist. I am looking forward to this and all the wonderful things that we will share together. Your spiritual growth is very important to me. I will learn from you, as much as you will learn from me, as we grow in the love of Christ! I know we will have a great year together!

Please feel free to contact me at denewman@cableone.net with any questions or concerns.

I want you to read and study addition and subtraction math facts. This will make you the best 2nd Grader you can be! I plan to be the best 2nd Grade teacher I can be! I am looking forward to seeing you at the "Come and Go" on August 8th!

God bless,
Mrs. Newman
