- ❑ **Textbooks**- I will begin taking up textbooks next Monday. You may want to ask your child to bring home a textbook per night this week. He/She should erase all stray marks, and be sure the books are ready to be assessed for fines.
- ❑ **Rosary**- As I’m sure you know, Mrs. House is leading us in praying the rosary each day of May in honor of the month of Mary. This Week:

Reading- We will be finishing our persuasive writing project and beginning literature circles! Students will get to select from several chapter books and read them with a group. They will also be completing a short book report on their books.

Math- We will cover the final math competencies, which are related to graphing. Then we will move on to a review of long division and 2 and 3-digit multiplication. I will be taking lots of daily grades on these reviewed concepts.

English- We will be working on interjections. We will work with partners to create skits that will be graded to show our understanding of interjections.

Spelling- Speller’s Choice due Friday, Test Friday. These are the LAST spelling words for 4th grade!

Religion- We will end The Ninth Commandment today and go straight to The Tenth Commandment-You shall not covet your neighbor’s goods. Next week we will not change classes. It has been a joy to have your child in religion with me this year. Thank you for trusting their spiritual growth with me! We have had wonderful discussions about the desires Christ has for our lives. Please continue being open and allow your child time to talk about things of the world they have questions about! – Mrs. Allgood

Social Studies- We will continue covering selected lessons from Chapter 7: The Great Depression and Chapter 8: Integration. Students will begin working on a booklet to summarize their learning. It will be due next week for their social studies test grade.
