We will only be using the tri-fold plastic nap mats this year. We will also not be using any blankets or soft materials to sleep with. This helps with keeping germs and lice from spreading as well as storage issues. Thank you for your cooperation.

Please bring supplies on "Come and Go" on August 8th from 4-6. This will make things so much easier on the first day of school. I can't wait to see everyone and get off to a great school year.
